Standard Industries is a privately-held global industrial company operating in over 80 countries with over 20,000 employees. The Standard ecosystem spans a broad array of holdings, technologies and investments—including both public and private companies from early to late-stage—as well as world-class building solutions, performance materials, logistics, real estate and next-generation solar technology. Throughout its history, Standard has leveraged its deep industry expertise and vision to create outside value across its businesses, which today include operating companies GAF, BMI, Grace, GAF Energy, Siplast, SGI, Schiedel, and Standard Logistics, as well as Standard Investments and Winter Properties. David Winter and David Millstone are its CEOs.
